

NCES Call for Poster Presentations NCES Call for the Student Poster Competition

Concurrent with the reception prior to the 2009 NCES annual banquet, **November 6, 2009**, the Society will host poster presentations and a student poster competition. Everyone is welcomed to present posters, and students have the option of entering the student poster competition:

Prizes:

1st Prize: \$200 2nd Prize: \$100 3rd Prize: \$50

Guidelines for Poster Submissions:

- Participants for poster presentations **must be a member** (current or join when registering) of the North Carolina Entomological Society, and must pre-register for the banquet. Winners of the student contest will be announced and awarded during the banquet.
- Complete the entry submission form (attached to this email and at <http://cipm.ncsu.edu/ent/ncentsoc/homepage.htm>), which must be received by the Secretary (Hannah Burrack) at the email or physical address below by **5:00PM October 30, 2009**.
- Specific poster formats are up to the presenters. Actual poster surface space available for each presentation is 46" x 46". For the poster competition, presenters are encouraged to consider the judges poster evaluation criteria (posted on the website) regarding decisions for content and style.
- Setup will be in the lobby/reception area of the JC Raulston Arboretum between 3:00 and 4:00PM on November 6. The judges will review posters in the competition from 4:00 - 5:30PM, and a viewing/social for everyone will follow. No posters may be set up after 4:00PM.
